## Features

## Queluz Development

Queluz is a booming parish in the municipality of Sintra.

With quick access to Lisbon and Sintra, it benefits from a functional public transport network, as well as a wide range of services and shops.

Right in the heart of Queluz, we can find this building being renovated for the construction of three apartments, with the exclusivity and privacy that combines proximity to the center with convenience.

Don't miss out on this opportunity to invest or buy your own property!
