Ref. DSTVRML4 | Tavira

Townhouse T3 in UDF de Tavira (Santa Maria e Santiago)

House in the historic centre of Tavira currently in the design phase, with delivery scheduled for the end of 2025.

In this house divided into 3 floors (ground floor, 1st and 2nd floor), you'll find an excellent distribution of spaces with perfect harmony. From an interior garden on the ground floor to the terrace overlooking the walls of Tavira Castle.

In this property you can also count on two suites, a bedroom, plus a service bathroom, kitchen communicating with the dining room and a perfect living room.

For more information, please contact us.
