Sea Straw Village » A paradise called home"

Mar da Palha is a development of excellence with 23 villas of superior quality and modern architecture.

In the city, at the door of the countryside. Near and far from everything, the 'sea of straw' is located on the border of the urban fabric of Alverca with the countryside, and is surrounded by nature allowing a healthy lifestyle for your

family, while also offering the best access and an urban ecosystem.

With windows facing the Tagus River and the countryside, large spaces and plenty of natural light, these villas offer a unique lifestyle for you to enjoy your time to the fullest and live the harmony of the life you have conquered with all the amenities and characteristics of a dream life.

Enjoy the outdoors. Enjoy outdoor spaces designed in detail to create unique moments and experiences with family and friends, bringing well-being without leaving home.

The Mar da Palha development offers modern solutions and differentiated finishes, large spaces with plenty of natural light. A concept that privileges your comfort and the prospect of an incredible life

The end result is exceptional.

Note: Base Value for 2-storey House (floor elimination - 1 . For a 3-storey villa on this plot, check with the consultant for values.
