ELEGANT GOLF-FRONT LIVING

Tucked away in São Lourenço North in Quinta do Lago, this classic villa combines timeless architecture with relaxed contemporary elegance. Overlooking the golf course, it offers tranquillity and refined living for those who value comfort and discretion.

Set on a private plot of over 2,380m², accessed by a long driveway through adopted land, the villa impresses with its scale while remaining welcoming and beautifully detailed.

Inside are six ensuite bedrooms across multiple levels, including a private lower-level suite. Light-filled interiors blend understated luxury with expansive living areas and quiet corners. The Bulthaup kitchen features Miele appliances, Bora induction, Teppanyaki grill, and Grohe Blue Tap for filtered still or sparkling water, adjoining a dining area with dual-zone wine fridges for elegant entertaining.

Modern comforts include underfloor heating via Daikin heat-pump, ducted air-conditioning, solar photovoltaic system with battery storage, Zappi charger for EVs, Control4/KNX home automation with integrated security, and lift pre-installation.

The lower level offers a Nohrd gym, private cinema, laundry, double garage with golf storage, technical rooms, and the sixth bedroom with dressing area for guests or staff.

Outside, manicured gardens surround a pristine heated and covered swimming pool, complemented by automated irrigation, creating a private oasis for year-round enjoyment. Discreet yet exceptional, this villa embodies craftsmanship, advanced technology, and timeless design in Quinta do Lago's most coveted location.
