1 bedroom apartment with stunning views over Lisbon

Located on Rua das Olarias, this apartment is located in a building completely rehabilitated in 2017, without an elevator.
It is a 4th floor that benefits from a lot of natural light, with east/west sun exposure and a breathtaking view over Lisbon.
The apartment is in good condition and with finishes that provide comfort to the house.
In the surroundings you have all kinds of shops and services, with emphasis on the proximity to the metro, a 6-minute walk away. In the area, it also has iconic viewpoints in Lisbon - Senhora do Monte and Graça viewpoints - and also the Cerca da Graça Garden - a green and welcoming space where you can relax and which is also a place for various cultural events throughout the year.
