Luxury 9 Bedroom Apartment – New Construction in prime area of Sines

This stunning 9 bedroom apartment, of new construction, stands out for its sophisticated architecture and high standard finishes, in a prime area of the city of Sines.
Project developed by the architect M. Antunes de Moura, expected to be completed in May 2025.

With 10 suites and a privileged location, this apartment offers the possibility of profitability, in this city where more and more senior executives of large companies are settling.

We have in this apartment the following:
10 suites full of comfort and privacy.
Equipped kitchen, very functional and modern, with quality finishes.
Excellent luminosity, with windows that provide abundant natural light.
Balcony: 6.20 m², ideal for moments of rest outdoors.
Total gross private area: 408.45 m², ensuring well-distributed spaces.
Gross private area inside: 402.25 m², with excellent use of spaces.
1 parking space
