Excepcional newly renovated apartment with 4 bedrooms and 4 bathrooms in the prestigious Ibiza neighborhood, located in a charming 1945 building. The property has been entirely reformed by our architects and interior designers, showcasing a refined design, top-notch quality, and tasteful decor. Ready to move in, with all furniture and decoration included. The apartment offers 250 m² of built space according to the cadastre, distributed as follows: Upon entering, you are greeted by a hallway leading to the day area: a spacious, bright living-dining room integrated with a modern kitchen featuring an island. The hallway also provides access to a guest bathroom and a visitors' closet. Continuing, you'll find a family room or TV area (which could be closed off as a 4th bedroom). The private area consists of two large en-suite bedrooms, both with access to a sunny terrace, and a third double bedroom with a full bathroom. The apartment also has a separate laundry room. The home features beautiful natural oak wood flooring, smooth paint with high ceilings and moldings, plasterboard ceilings with recess...
