more than space: it brings purpose.

There are four bedrooms, two of them en suite. South facing room, fireplace and balcony overlooking the sea. Equipped kitchen, air conditioning in all rooms and a private garage in box with 75m2 with a room that can function as an office – perfect for those who work from home, create, or need space for the next project.

This apartment is 5 minutes from the beach, with shops, schools and quick access to the Marginal and the A5.
