Restaurant, High potential transfer business

An opportunity to transfer a fully functioning restaurant, strategically located in Lisbon, in an area of strong pedestrian passage and with great business potential. The space consists of: • Refrigerated window at the entrance, ideal for displaying fresh products; • Two large rooms, being: oAn entrance room with service counter and refrigerated showcase, perfect for quick service or takeaway; oAn interior room dedicated to meals, furnished and equipped, providing a comfortable and welcoming environment for customers; • Two sanitary facilities; • Fully equipped professional kitchen, with smoke extraction system, ensuring all the technical conditions for the activity; • Air conditioning system throughout the space, providing comfort for both customers and employees. The restaurant is ready to operate and will be pierced with all the equipment included.
