This 2-bedroom 99,50 m² ground-floor apartment is set within the Monte Dourado resort, in a privileged hilltop position. The town center, offering a wide choice of cafés, bars, shops, and restaurants and the beach, is just a short and easy walk away. Monte Dourado provides excellent on-site facilities, including 5 swimming pools (one heated), 5 children's pools, 2 tennis courts, and a reception area with a library and internet access. The apartment comprises two bedrooms, one of which has an en-suite bathroom, plus an additional family bathroom. There is a fully equipped kitchen and a bright living/dining room with a log-burning fireplace and terrace with direct access to the communal pool. This south-facing terrace is ideal for relaxing while enjoying the pool area. Additional features include a small utility area and a storage room housing the electric water heater, as well as an outdoor drying area. Energy Rating: * The feature (s)/equipment(s) mentioned in this description are subject to verification and agreement between the vendors and buyers. Fine & Country Algarve is part of the int...
