Located in a prime central position in the charming seaside town of Praia da Luz, this urban building plot offers a rare opportunity to create a bespoke home within walking distance of all local amenities and the beach. The generous 2,800 m² plot benefits from approved viability for the construction of a single-family villa with up to 250 m² of living area across the ground and first floors, complemented by a basement of up to 130 m². This provides excellent flexibility to design a spacious and comfortable home, with additional space ideal for parking, storage, leisure areas, or a home cinema or gym. Set in a highly sought-after central location, the property combines the convenience of walking access to shops, restaurants, and the beach with the relaxed lifestyle of this popular coastal town. An outstanding opportunity to design and build your dream villa in one of the Algarves most desirable seaside communities.
