A fantastic opportunity to invest in a premium new development from a highly reliable local builder known for quality construction and excellent finishes. There are only a few 2+1 bedroom apartments available on the ground floor. These are designed with spacious open-plan living areas that flow out onto generous private balconies, creating the perfect space for relaxing or entertaining. Each apartment includes two double bedrooms plus an office, all with built-in wardrobes. There are 2 modern bathrooms, including the master suite. T These modern apartments offer a design designed for comfort and style. Each home will feature fully installed air conditioning, underfloor heating, electric shutters, high-quality insulation, fiber optic internet, and a smart home system. The kitchens come fully equipped and the solar system adds extra energy efficiency. Residents also enjoy secure parking in the covered garage, along with fantastic on-site amenities, including an outdoor pool and a fully equipped gym. The location is great. You can easily stroll through the historic city center of Lagos, w...
