A fantastic opportunity to invest in a premium new development from a highly trusted local builder, renowned for quality construction and excellent finishings. There are just a select few ground floor 2 + 1 bedroom apartments available. These are designed with spacious open-plan living areas that flow onto generous private balconies, creating the perfect space to relax or entertain. Each apartment includes two double bedrooms plus and office, all with fitted wardrobes. There are 2 modern bathrooms, including the master suite. T These modern apartments offer thoughtfully designed for both comfort and style. Each home will feature fully installed air conditioning, underfloor heating, electric blinds, high-quality insulation, fiber-optic internet, and a smart home system. Kitchens come fully fitted and equipped, and the solar system adds extra energy efficiency. Residents also enjoy secure indoor garage parking, along with fantastic on-site amenities including an outdoor swimming pool and a fully equipped gym. The location is superb. You can easily stroll into the historic town center of ...
