MODERN LUXURY VILLA PROJECT

Located within the exclusive Quinta do Lago resort, this exceptional opportunity presents a prime plot with an approved villa project by globally acclaimed architecture firm SAOTA. Known for their contemporary vision and bold residential design across six continents, SAOTA's work epitomises refined living, architectural integrity, and elevated lifestyle.

This modern villa has been meticulously conceived across three levels to offer a seamless fusion of elegant aesthetics, intelligent layout, and resort-style amenities. The ground floor reveals expansive open-plan living and dining areas that transition effortlessly onto a generous terrace with a private swimming pool, ideal for both entertaining and tranquil outdoor living. A bespoke wine cellar, office/library, fully fitted kitchen with adjoining pantry and service kitchen, as well as two stylish guest suites flanking a water feature and firepit, all contribute to the home's sophisticated and functional character.

Upstairs, the principal suite is a sanctuary of privacy with a spacious terrace, while two further ensuite bedrooms and a cosy pyjama lounge cater to family flexibility. A children's terrace and a sunset-facing lounge highlight the harmonious balance between indoor and outdoor spaces.

The lower ground level is dedicated to lifestyle and wellness, complete with a private gym, spa area with massage room, steam room, spa shower and changing facilities. A cinema room with bar, staff quarters, laundry, storage areas, and a 4-car garage provide all the comforts of a fully serviced luxury residence.

This is a rare opportunity to bring to life an architectural statement of international calibre in one of Europe's most prestigious gated communities.
