These exclusive apartments stand out for their contemporary architecture, elegant lines, and spacious interiors, carefully designed to maximize natural light. Large windows provide exceptional brightness and pleasant views over the Atlantic Ocean. The residences feature three bedrooms, including two en-suite bedrooms, as well as modern kitchens fully equipped with Miele appliances, combining functionality, design, and high-quality finishes. To ensure maximum comfort throughout the year, the apartments are equipped with air conditioning, underfloor heating, and an efficient heat pump system, delivering excellent energy performance. The private condominium offers a range of premium amenities designed to enhance residents' well-being and quality of life. Highlights include an outdoor swimming pool, landscaped gardens, and a private, peaceful, and secure environment. Each apartment benefits from a private garage box, storage room, and pre-installation for electric vehicle charging. As an exclusive feature, all units include a private rooftop terrace equipped with a jacuzzi and barbecue area, ...
