Condominium COSTA CABRAL FLATS

COSTA CABRAL FLATS is a residential building on Rua Costa Cabral, in Porto, consisting of 50 studios and T1 and T2 apartments.
With a markedly contemporary architecture, with a layout aimed at a young audience that favors functionality and design.

The apartments have balconies and terraces, combining design, comfort and functionality
This building is intended for those who want to live next to the university campus in an area with excellent access and transport to downtown Porto.

All fractions have parking spaces equipped with charging points for electric vehicles.

At the back of the building, a green space for collective use was created, with garden and lawn areas, tree and shrub massifs, promoting moments of leisure and well-being outdoors.

The work began in May 2025 and is scheduled to be completed by the end of 2026.
