This property consists of two village houses. The main house was renovated in 2019, while the other is currently rented out under a contract valid until 2029. The larger house is ready to move into and comprises a living and dining room, a kitchen, two bedrooms, a hallway, and a bathroom with a shower. The second house consists of a single room currently leased to MEO, with the contract ending in 2029. Once the property becomes vacant, it offers the potential to renovate and connect it to the main house, creating a larger living area, or alternatively rebuild it as an independent studio or one-bedroom property.
