Located in the heart of Ferragudo, this 277m² townhouse ruin offers an excellent opportunity to create a spacious two-storey residence in one of the Algarve's most sought-after villages. With a generous footprint and strong structural potential, the property allows for a full renovation approved project, including the possibility of multiple bedrooms, open-plan living areas, a study, and a private outdoor space or rooftop terrace. Just steps from the village square, waterfront, restaurants, and beaches, this is a rare investment opportunity to restore and transform a character property in a prime central location.
