Set within an exclusive and peaceful resort community just moments from the Atlantic coastline, this exceptional building plot enjoys an enviable location with breathtaking views across the ocean, extending towards Praia da Luz and its iconic Black Rock. The property is offered with an approved architectural project for a striking contemporary four-bedroom villa, providing the perfect balance between convenience and creative freedom. The sleek modern design has already been conceived by leading architects, while still allowing you to personalise the interior finishes and styling to reflect your own vision and lifestyle. South-facing by design, the future home will be bathed in natural sunlight throughout the day, making the most of the spectacular coastal outlook. Despite its tranquil surroundings, every essential amenity is within easy reach, including championship golf courses, excellent restaurants, shops, healthcare facilities, and the charming village centre of Praia da Luz. Whether you are planning to build your dream residence or secure a premium investment in one of the Western Algar...
