MODERN VILLA AT QUINTA VERDE

This completely modernized six-bedroom villa, located in the prestigious Quinta Verde development near Quinta do Lago, was meticulously renovated in 2024 to the highest modern standards. Combining sophisticated design with luxurious finishes, it offers a serene retreat and a lifestyle of effortless elegance.

The ground floor features two beautifully appointed ensuite bedrooms, dual reception lounges, and a contemporary eat-in kitchen. The kitchen is a true centrepiece, fully fitted with top-tier appliances and an elegant central island, ideal as both a functional workspace and a social hub. It opens seamlessly to the west-facing terrace, where a heated saltwater pool, landscaped gardens, and a covered summer kitchen with integrated barbecue and bar seating create the perfect setting for alfresco dining and entertaining.

Upstairs, the principal ensuite bedroom is a serene retreat, complete with a spacious walk-in wardrobe and a luxurious shower. A second ensuite bedroom on this level enjoys its own private terrace, ensuring comfort and privacy.

The lower ground level includes a cinema room, a laundry, and two versatile rooms currently used as home offices, complemented by a large double garage with ample storage. Additional features include underfloor heating, ducted air conditioning, a bioethanol fireplace, a video entry system, and fully irrigated landscaped gardens secured by an electric gate and fencing.

Perfectly oriented to the west, the villa benefits from warm evening light and tranquil garden views. Just minutes from world-class golf, fine dining, designer boutiques, and golden beaches, it represents a rare opportunity to acquire a modern luxury villa in one of the Algarve's most sought-after locations.
