This stylish ground floor apartment stands out for the kind of outdoor living that is rarely found in an apartment setting. Designed for buyers who want more than just interior space, it combines a private pool, sunny terrace and generous garden areas with the ease of a modern new-build home in Tavira. It is an ideal property for enjoying the Algarve climate, whether as a full-time residence, a holiday base or an investment with strong lifestyle appeal. The development is currently under construction, with completion expected in early 2027. Inside, the apartment offers 95 sqm of internal space, with a bright open-plan living area and kitchen that feels practical, comfortable and easy to enjoy every day. The 2-bedroom layout works well for a couple, a small family or visiting guests, while the overall design makes the most of natural light and creates a smooth connection between the interior and the outdoor areas. Quality finishes help reinforce the sense of comfort, with Bosch appliances, electric blinds, air conditioning, underfloor heating and a modern overall finish that suits a relaxed but ref...
