A NEW REFINED CONTEMPORARY VILLA

Positioned in one of Quinta do Lago's most coveted settings, overlooking the fairways of São Lourenço Golf Course, this exceptional contemporary villa combines striking architecture with a refined sense of comfort, elegance and understated luxury.

A dramatic pivoting entrance door opens into a light-filled double-height hallway, where floor-to-ceiling glazing immediately draws the eye towards the gardens, pool and golf course beyond. Natural light plays a central role throughout the home, enhancing the carefully curated interiors and creating a connection between inside and out.

At the heart of the villa lies a beautifully designed open-plan living space. The bespoke kitchen, finished with elegant wood cabinetry and fitted with premium Miele appliances, centres around a statement island topped with bookmatched marble and complemented by a Bora induction hob. Flowing effortlessly into the dining and living areas, this welcoming space is anchored by a feature fireplace and illuminated by a sculptural teardrop chandelier. A cosy snug offers a more intimate retreat, while expansive sliding doors open directly onto the outdoor entertaining terraces.

Outside, beautifully landscaped gardens frame the swimming pool and create a sense of privacy and tranquillity. Designed with Algarve living in mind, the generous terraces incorporate a pre-installed outdoor kitchen and bar area, providing the perfect setting for long lunches, sunset gatherings and relaxed evenings with family and friends. The ground floor also accommodates two elegant guest suites, a separate study and a guest WC.

Ascending the sculptural staircase to the first floor, are three further ensuite bedrooms, including the principal suite, where natural stone finishes, a generous dressing area and a private terrace combine to create a peaceful sanctuary overlooking the golf course. Above, the rooftop terrace enjoys panoramic views across São Lourenço Golf Course, extending towards the coastline and the Atlantic Ocean beyond.

The lower ground floor has been thoughtfully designed as a leisure and wellness level. A bespoke wine cellar and bar, games lounge, gym, massage room, guest facilities, laundry room and garage provide an exceptional range of lifestyle amenities. A dedicated cinema room can also be incorporated to suit individual requirements.

Served by a private lift and a striking central staircase, this brand-new residence combines architectural distinction and elegance in one of Quinta do Lago's most desirable golf-front locations.
