This used villa, built in 2008, in the process of renovation, located in the picturesque parish of Mexilhoeira Grande, offers a cozy and functional environment, spread over two floors. Inserted in a plot with 268 m² and with a gross construction area of 254 m², this property stands out for its generous areas and high potential for customization, allowing it to be adapted to the style and preferences of the future owner. The property is in an advanced stage of refurbishment, also offering the possibility of choosing some materials and finishes, depending on the state of the work. The villa is situated on a fully fenced plot, with an access gate, providing privacy and security. It benefits from excellent sun exposure, has private parking for two cars and has a view of the sea. With four bedrooms and four bathrooms, it provides enough space for the whole family. The living room has a fireplace, ideal for moments of conviviality and relaxation. The property has a large garage with electric gate, storage room and built-in wardrobes, ensuring organization and practicality. The garden and ter...
