Villa T3 in Santa Margarida da Coutada

Located about 100 km from Lisbon, in the heart of the village of Santa Margarida da Coutada - Constância, where you can find hospitable population, culture and pleasant climate.

The places of interest of this parish are essentially related to nature and all that it can give us, stands out the Environmental Park of Santa Margarida being a wide green space, integrated in the Park Almourol and the Açude de Santa Margarida da Coutada space where sport fishing and leisure coexist intimately.

Close by, the river Nabão and the dam of Castelo do Bode offer the best scenarios for practicing nautical sports and Almourol Castle where you can enjoy beautiful walks by the Tagus.

This building in total property with a total land area of â€‹â€‹1,040 m2, a gross floor area of â€‹â€‹230 m2, can be recovered in a harbor of shelter for those seeking excellence in the residential market and also for investors an excellent opportunity for tourism housing.

Consult us and learn more about this space!
