Villa T4 in UDF de Torres Novas (Santa Maria, Salvador e Santiago)

Houses with history!!!
19th century home in the historic center of Torres Novas.
It served as a former military facility to General Massena at the command of Napoleon during the French invasions!!!
Situated at the pleasant Miguel Bombarda Street, the house is placed in a 436m2 (4693ft2) lot, with an implantation area of 151m2 (1625ft2) and an overall private area of 302m2 (3250ft2). It counts with three bedrooms of generous size, two living rooms and one dining room.
Totally equipped, renovated kitchen and two bathrooms with big natural light sources.
It still has an excellent marquee as an add-on to the kitchen and with access to the terrace with a view onto the private garden as well as the river.
The private garden has 251m2 (2702ft2) and allows access to the Almonda river.
