These apartments stand out for their contemporary architecture and bright, spacious interiors, featuring large windows that allow for abundant natural light and pleasant views of the Atlantic Ocean. The residences offer three bedrooms, including two en-suite bedrooms, as well as modern kitchens fully equipped with Miele appliances. Designed to provide year-round comfort, the apartments are equipped with air conditioning, underfloor heating, and an energy-efficient heat pump system. Residents can enjoy a range of amenities, including an outdoor swimming pool, landscaped gardens, private rooftop terraces with a jacuzzi and barbecue area, as well as a secure and private environment. Each apartment also benefits from a private garage, available in single or double configurations, pre-installation for electric vehicle charging, and a private storage room. Located in one of the Algarves most sought-after areas, this development represents an excellent opportunity for a permanent residence, a holiday home, or a high-quality real estate investment. Completion is scheduled for September an...
