Plot of Land

Located in São Gonçalo - Funchal, very quiet and sunny with magnificent views over the sea and the city bay, about 5 minutes by car to the center of Funchal. Magnificent land with 1959m2 for sale, project approved for a 3 bedroom villa, with a gross area of 787.55m2 spread over 2 floors. The symbiosis between the building and the interior/exterior relationship is present in all spaces of this house, created and idealized in order to contemplate a housing use with large areas of natural light, large areas both indoors and outdoors, where the large area stands out. infinity pool, with a water mirror and a central fireplace, headed by a jacuzzi, which is joined by a large balcony area with a reading area and a large barbecue, all of this designed with a unique view over the bay of funchal. In an increasingly demanding and restricted market, this product presents itself as unique and particular.
