Set in a rare seafront location in Vilamoura, this exclusive touristic resort development presents a collection of luxury apartments designed for those seeking an authentic Algarve lifestyle by the ocean. Positioned directly facing the Atlantic with uninterrupted sea views and direct beach access, the development combines contemporary architecture with its natural surroundings. Designed by Nuno Leónidas with interiors by Architect Your Home, the residences create a seamless connection between indoor living and the coastal landscape. The development features 92 fully furnished resort residences ranging from one to four bedrooms, including penthouses. Each apartment has been designed with open-plan living spaces, generous terraces and large windows that maximise natural light and frame the ocean views. The interiors combine contemporary design with warm natural materials and refined finishes, creating elegant spaces that are comfortable for extended stays or year-round use. Residents benefit from exclusive access to the Vista Club, which offers two distinct environments: Vista Club by the Green and...
