Villa to be renovated T3 in UDF de Sé, Santa Maria e Meixedo

Magnificent villa for restoration with two fronts in the historic area of Bragança with a project already approved and licensed for the construction of 3 apartments with one bedroom each, a 2 bedroom apartment, garage and elevator. This magnificent villa, located in the historic area of Bragança, is a unique opportunity for those looking for a charming property with enormous potential. This property is built in stone and features typical architecture of the region. The villa consists of three floors, with a total area of about 348 m². Located in a privileged area of the city, the villa is just a few steps away from all services and amenities. The proximity to the Castle of Bragança, the museums and the main monuments of the city make it an excellent option for those looking for a property for housing or investment. Unique opportunity for those looking for a special property with great potential for appreciation. Come and meet us and idealize your future investment.
