Building land - Retorta - Vila do Conde

Welcome to your future residential haven. This generous 2000m² plot offers a blank canvas on which to turn your dreams into reality. Imagine yourself surrounded by the serenity of nature, with enough space to create not just one, but up to four charming townhouses.

Feel the freedom to explore the limitless possibilities in this large and versatile space. If your vision is of a close-knit community, the four townhouses offer the perfect opportunity to create a warm and welcoming neighborhood environment. On the other hand, if you're looking for a more intimate approach, the two townhouses provide the ideal balance between privacy and conviviality.

However, the special point of this property is the ability to erect the ground floor villa of your dreams. Imagine a majestic residence, where every detail is meticulously planned for your comfort and well-being. With extensive surrounding gardens, this unique home offers a luxurious sanctuary to enjoy life to the full.

Enjoy the incomparable convenience of this privileged location. Retorta offers a quiet and relaxed lifestyle,
