A SUSTAINABLE COUNTRY HOUSE

A secluded luxury country house near the beautiful historic coastal town of Tavira. Originally a family home and farm, Fazenda Nova has been transformed in a mix of traditional Portuguese architectural design with a modern vintage twist in the interior styling, surrounded by its romantic gardens and pathways. Designed as a boutique country house, the main house consists of 8-bedroom suites, 5 of which have a private terrace/garden. The grand reception room with a fireplace and bar area also features a mezzanine which leads out to a south-facing terrace with sea views. The lounge opens onto an eating area with another log fire. The professional kitchen is fully equipped and accesses a large storage and laundry area. The exterior has a spacious BBQ eating area and a log fire on one side. There are 7 more bedroom suites around the main house with separate access. The cleverly designed landscape includes an infinity pool and a relaxation area with double sunbeds. There is a borehole maintaining the 40 different varieties of fruit trees and a sustainable vegetable garden. A family haven with character and originality. Tavira is a charming historic town just a 20-minute drive away. The perfect combination of beaches and culture whilst still offering contemporary cuisines and modern amenities, including 3 very well-maintained golf courses.
