FRONTLINE GOLF LOCATION

Framed by panoramic views across Quinta do Lago's North Course, this iconic villa combines bold contemporary design with refined resort living. Set on a private 1,500m^2 plot, plus an additional 1,100m^2 of adopted land (totalling 2,600m^2), the residence was completed in 2017 and extends across four levels with a gross construction area of 540m^2. Every detail has been considered to create a seamless balance of architecture, light and lifestyle.

The principal living spaces occupy the first floor, where floor-to-ceiling glass captures sweeping golf views and floods the interiors with natural light. A bespoke kitchen with a central island flows effortlessly into the dining and lounge areas, all opening onto terraces designed for entertaining. Here, a dramatic glass-backed infinity pool, exterior kitchen, and elegant al fresco dining create a spectacular outdoor stage.

On the ground floor, four bedroom suites – including the principal suite – open directly to landscaped gardens, private terraces, and a second heated pool. The rooftop retreat offers a third pool, where sunsets over the resort provide an unforgettable backdrop.

The lower level is dedicated to leisure and well-being, featuring two guest suites, a private cinema, gym, sauna, and steam room. An electro-chromic glass lift connects every floor, while technology and comfort are assured with solar energy, underfloor heating and cooling, ducted air conditioning, and a full alarm and CCTV system.

South-east facing and bathed in light throughout the day, the villa also offers a jacuzzi, multi-car garage, and beautifully landscaped grounds. Within walking distance of golden beaches, fine dining, and world-class golf, it is an exceptional retreat in one of Europe's most prestigious resorts.
