Industrial land with 3,800 m² and with a building permit

Industrial land with 3,800 m², located in the industrial area of the parish of Ucha, municipality of Barcelos, with a valid construction license for the construction of an industrial pavilion with about 1,800 m² of implantation + parking lots.

If you want to build a pavilion for your company without having to waste time with bureaucratic processes (project approval, among others) you have a unique opportunity here.

Note: There is the possibility of making a horizontal property and building more than one pavilion.

Schedule your visit.
