Land in Gove - Baião

Rustic land with about 8.000m2, with constructive possibility.
This land has two items that can be sold separately.
At this moment it has a magnificent vineyard, full of sunlight, with a slight slope, very well cared for, near the main accesses, bordering two public streets in front of elementary school.

Located in a quiet area 5 minutes from the town of Baião, 15 minutes from the city of Marco de Canaveses and 50 minutes from Francisco Sã Carneiro airport.

Fantastic business opportunity!
