Urban Land with two dwelling houses

Urban land, with two houses, for restoration
A two-storey, south-facing house
Another house with large farmhouse, facing north
On the 1st floor, shops and kitchen
On the 2nd floor there are two living rooms, two bedrooms and 1 toilet
It also has a large backyard in front of the house, with about 100m2 of area
The land has a total area of about 454m2, where you can see several fruit trees in the region, namely cherry trees.
It has at the entrance of the property a large tank with water from the mine always running, with some connections for irrigation use
Access to the property is facilitated by a path, with dimensions, where cars can pass
Unobstructed views, abundant water and very fertile land

Don't let this business opportunity slip away
