Ref. FFAG509 | Figueira da Foz

Land Não definido in Lavos

Want to build your dwelling 10 minutes from Figueira? So come meet this terrain!

Rustic land located in the parish of Lavos, with 1,740 m2 front of about 80 meters and 27 meters. The land is located 10 minutes from the city and 5 minutes from the beaches of the coast of Lavos and the gala.

The land is perfectly integrated in the urban network of the parish of Lavos and has sanitation, company water, electricity and other services available.

According to the Municipal Master Plan (PDM), the land is inserted in a dispersed building area, allowing the construction of two isolated dwellings with a great garden.

This rustic article can be sold with another urban article with ruin house.

Don't let it out, come visit!
