Samouco Village – Live elegantly on the outskirts of Lisbon

Just 20 minutes from Lisbon, a haven of sophistication, comfort, and tranquility has been created: Samouco Village, where contemporary luxury meets the charm of Alcochete.
In an area undergoing rapid development, driven by the future installation of the new airport and the growing desire to live outside the urban center, Alcochete is establishing itself as a privileged destination for those seeking quality of life, space, security, and easy access to the capital.
Samouco Village offers you the best of both worlds: the serenity of a traditional village and proximity to one of the most promising areas on the south bank, where you will also find the largest outlet for prestigious brands in the country—a true center of style, leisure, and convenience, just minutes from your door.

Each villa is an invitation to good living:
