Plot for a Detached House in Braga (São Vicente)

Urban plot of 1,044 m², located in São Vicente, one of the most valued areas of Braga, due to its proximity to the city center and the tranquility of the residential area.

Offering excellent privacy, this lot allows for the construction of a unique single-family home, with the possibility of including a garden, swimming pool, and spacious leisure areas, creating a true urban retreat.

Its strategic location ensures easy access to schools, shops, services, and main roads, without compromising exclusivity and quality of life.

Property shared with all real estate agencies, promoting greater transparency and business opportunities.
