Farmhouse =T10 in Valado dos Frades

Hello,

I'm the most charming Quinta in the district of Leiria in the municipality of Nazaré.

I'm located in the village of Valado dos Frades, where you can find various monuments such as the Church of São Sebastião, the Fonte dos namorados, among others.

My proximity to Nazaré (just 5 kilometres) makes my location very special: the combination of the serenity of the countryside and the life of the sea is something very valuable, don't you agree?

I'm a farm with a lot of history.... I was born in the 12th century and I've been part of many celebrations, from weddings, baptisms, team retreats, etc. I'm the venue of choice for these occasions because I'm a very happy and versatile farm!
I have several buildings of different types, with options to suit all tastes!
From cellars to barns, flats or rooms, barns and cellars, all surrounded by majestic gardens and vineyards !!!!

I've been with this family since I was born and have been very well looked after, but I'm looking for a new owner to continue to grow and flourish!

Will you come and meet me?
