Frontline Golf Villas

In the consolidated environment of La Finca Golf, on the Costa Blanca South, there is a collection of contemporary villas located on the first line of the course, with open views and an implantation designed to preserve privacy and tranquility. The project consists of independent homes with a modern architecture, where the interior and exterior space are integrated in a natural way. The large terraces, the private garden and the infinity pool create a continuity with the golf landscape, providing a feeling of permanent openness. One of the differentiating elements is the large basement, which allows the use of the home to be significantly expanded: leisure area, additional accommodation or multipurpose space according to the needs of the owner. The homes are equipped with ducted air conditioning, underfloor heating throughout the house and a home automation system, which guarantees a constant level of comfort throughout the year. The location allows access in a few minutes to beaches, marinas, services and international airports, while maintaining a quiet and well-structured residential e...
