Villas in a Mediterranean Golf Resort

Located in a peaceful setting and carefully integrated into the surrounding nature, these villas are part of a renowned golf resort on the coast of Almería. The development offers the perfect balance between privacy, open landscapes, and access to high-quality services within the complex itself. Each home has been designed to make the most of the Mediterranean climate all year round, featuring large outdoor areas, a private garden, and a private swimming pool, creating a seamless connection between indoor and outdoor living. The architecture combines contemporary lines with materials that blend harmoniously into the environment, providing a sense of harmony and comfort. The resort offers sports facilities, restaurants, and leisure areas, allowing for a relaxed lifestyle without giving up on activities. Its location also provides easy access to beaches, airports, and other points of interest in the region. These properties represent a solid option for both personal use and investment, in an area with growing international demand and privileged climatic conditions. Property details: Independent ...
