Building land in Lavos (Figueira da Foz)

Do you want a plot of land to build your dream home?! Don't let this land slip away!!

Land with 657m2, located in Santa Luzia, parish of Lavos and municipality of Figueira.

The land has all the infrastructures on the street where it is located - water, electricity, sewage...

The location is excellent for those who want to be in the tranquility of the countryside but close to the city, 15 minutes from the city of Figueira and 10 minutes from the beaches of Costa de Lavos and Gala, this land can be a great opportunity to have the villa made to measure.

The land has in the past had a project approved by the City Council that can be recovered, so you can save the cost of the project by purchasing this land.

Don't let this land slip away!
