Spectacular House in Braga, parish of Nogueiró. It has 510m2 of construction area, inserted in a plot of land with 1000m2, Architecture was in charge of Arq. Fernando Jorge, late architect from Braga. , Stone, Glass, Wood, Steel and Iron: This fantastic mixture/symbiosis of materials is synergistic and a prominent signature that is well marked in this property. The villa is spread over three floors, in a total of about 510m2. On the ground floor, the hall opens to the large living room. Next to it is the office, dining area, guest toilet and kitchen with pantry. On this floor, contact with the outside is permanent and can be made through the central divisions. Outside is a small garden, equipped with a seating area and a swimming pool. Upstairs, which is accessed through wooden stairs, is the intimate area of the house, with three suites. On the -1 floor are the services, machinery area, laundry and storage, a suite and a large home-cinema. Half-walls, one of them in glass, show a garage and indoor pool, with sauna and Scottish shower. Located on the hillside with views of the city an...
