Villa Perla - Luxury Organic Architecture in Marbella

Villa Perla is a truly exceptional property in Marbella, conceived as a habitable sculpture where architecture, nature and Mediterranean lifestyle merge in perfect harmony. Inspired by the movement of the sea and the timeless elegance of a pearl, this villa stands out for its organic and unrepeatable design, with curved lines, fluid volumes and a contemporary aesthetic that breaks with convention. Every detail has been carefully designed to convey calm, exclusivity and sophistication. Located in a privileged setting on the Costa del Sol, just a few minutes from golden sandy beaches, internationally renowned golf courses and all the high-level services that Marbella offers, Villa Perla allows you to enjoy an exclusive lifestyle all year round. The house is distributed over several levels connected by a private elevator, offering large interior spaces bathed in natural light and a constant connection with the outside. It has 4 bedrooms, all designed as private suites, as well as generous day areas open to the garden and terraces. Outside, the architecture extends into the landscape with a mai...
