Excellent land with 3,560 m², with feasibility for a rural agglomeration, according to consultation with the new PDM, ideal for housing construction or rural tourism project. Inserted in a quiet area and with great sun exposure, this land stands out for its enormous potential, both for own housing and for investment. Surrounded by nature and typical landscapes of the region, it benefits from a calm and authentic environment, without giving up proximity to points of great tourist interest. Privileged location, just a few minutes from the Peneda-Gerês National Park and the Caniçada Reservoir, very popular areas for leisure, tourism and rest, with easy access to river beaches, trails, restaurants and outdoor activities. An excellent opportunity for those looking for quality of life, contact with nature and future enhancement, in one of the most emblematic regions of the North of Portugal.
