Exclusive Development in the City Park – Viana do Castelo

Where architecture meets landscape and luxury merges with nature.

In the heart of the City Park of Viana do Castelo is born a truly distinguished condominium, designed for those looking to live with quality, privacy and views that inspire every day. With a total of 26 plots, this project combines contemporary design, landscape integration and an absolutely privileged location between the river and the sea.

River Building – Lot 28
A rare opportunity on the front line of the Lima River.
Currently a single T3 unit is available, with east orientation, ideal for those who value natural light, tranquility and exclusivity.

Total area: 164.16 m²

Location: River front, wide and permanent view
