Land - 630m2 - Machico

Land for sale in Sítio do Paraíso, Machico – 630m² with feasibility for construction. Discover this exceptional plot of land located in the idyllic Sítio do Paraíso, in Machico, with a total area of 630 m². This space harmoniously combines the tranquility of a natural refuge with the convenience of proximity to the city center and its services. With a driveway, access and transport are simplified, making this terrain even more practical and attractive. In addition, its constructive feasibility for two semi-detached houses opens up a range of possibilities for different projects. Whether for those who dream of building a custom family home or for investors attentive to the local real estate market, this land offers extraordinary potential. Imagine creating a unique space to live in or investing in housing that values a peaceful lifestyle and proximity to nature. Don't miss this opportunity to acquire land in a prime location in Machico. Whether for your own residence or for monetization, this is the ideal space to carry out your projects.
