VILLA MARIA | Exclusive luxury residence with private boat mooring pool and contemporary design

Located in a privileged setting, Villa Maria represents a new way of experiencing contemporary living: an independent residence where architecture, nature, and comfort meet in perfect harmony. Its pure lines and minimalist aesthetic create a serene and sophisticated space, designed to enjoy every moment of the day. This exclusive villa offers a balanced layout with 4 bedrooms, spacious living areas, and spaces designed to maximise natural light and the connection between indoors and outdoors. The living room, dining area, and kitchen flow together to create open and elegant environments, while the bedrooms, including a master suite with a private bathroom and dressing room, provide privacy and wellbeing. Outside, Villa Maria becomes a true private retreat. Its terraces, carefully designed garden, and pool area create the perfect setting to relax, entertain guests, or enjoy the Mediterranean climate all year round. Exterior lighting adds a warm and enveloping atmosphere as night falls. The property combines design and functionality with spaces such as a private garage for two vehicles, storag...
