T2 RENOVATED IN A WELL POSITIONED AREA

LAGOS | LAGOS

REF: RSA100-603

T2 renovated with good areas in a well positioned area of Lagos

On opening the door of the apartment we are flooded by a natural light that gives a special brightness to the property.

Consisting of a large entrance hall with wood-paneled ceiling with recessed lights, the house is well divided and comprises;

Spacious Living room, with a nice balcony to share good times and relax,. Fully equipped kitchen with sunroom and pantry, full bathroom ,

The bedrooms are accessed from the main corridor both of good areas with built-in wardrobes sharing a bathroom with shower base.

The house benefits demo air conditioning in the living room and bedrooms.

The property is enhanced by preserving the traditional Portuguese tiles which gives a unique charm wrapped with good modern taste.

The building has 3 floors, well presented and in an excellent state of repair
