Apartment - 3 Bedrooms - Funchal

Luxurious apartments inserted in a development in Funchal. This development features superior quality construction and finishes and unique features, built on a hill close to a central area of Funchal, providing apartments with stunning views over the city of Funchal. The building offers large areas, especially balconies, modern lines, garden areas and two swimming pools, so that children and adults benefit from a better quality of life. It is worth highlighting the company with extensive construction experience over several years in the real estate market on Madeira Island, having already built several developments ranging from single-person and collective housing, to luxury villas.
